Our IT Shared Service Center Department in Warsaw (Poland) is looking for a

Team Lead Salesforce Solution Manager (f/m/d) (100%)

Triumph is massively investing on Salesforce solutions to provide the best experience to its BtoC and BtoB partners. The landscape includes Salesforce Commerce Cloud, Service Cloud, Loyalty Cloud and Marketing Cloud with a progressive implementation on our global markets and a constant development of new features. Most developments are outsourced with internal supervision.

To sustain this tremendously growing perimeter, the digital department is looking for an experienced Salesforce Solution Manager that can own the solution, work as a technical expert and architect, coordinate our external vendors and help us grow an internal team of Salesforce solution managers.

Your Responsibilities:

- Analyse, challenge, and refine business requirements
- Transform those requirements into optimal functional/technical architectures and dataflows
- Perform estimates on planning and costs to own budget and engagements for your perimeter
- Help recruit external vendors and act as technical solution expert to ensure future proof developments on multiple projects in parallel
- Act as internal developer to support project or ensure minor projects execution and maintenance
- Own the growing Salesforce to ensure maintainability and scalability of the solution
- Supervise the support service and vendors to ensure solution is up and running (manage SLA, ticketing systems, escalation processes, monitoring...)

- Constantly cooperate with other internal solution managers to ensure proper integration of Salesforce systems into Triumph IT ecosystem (Loyalty programs, frontends, SAP, iPaaS, PIM/DAM, Analytic tools...)

Last but not least: based on experience of the candidate, possibility to extend the role to a managerial position with the responsibility of building and managing a team of Salesforce solution managers

Your ideal profile:

- 5+ years experiences in designing, building, and owning digital solutions
- Proven technical skills on Salesforce Service Cloud, Marketing Cloud, Commerce Cloud, and/or Loyalty Cloud
- Solid understanding of architectural concepts and integration of digital applications in the overall application landscape
- Experience interacting with business customers and transforming business needs into working solutions
- Experience of working in parallel on multiple solutions and projects
- Experience with Atlassian products - JIRA & Confluence as a plus
- Experience in project management
- Experience in the coordination of external vendors
- Fluent English is a must have
- Excellent communication skills and autonomy
