Our E-Commerce Department at the HQ in Bad Zurzach (Switzerland) is looking immediately for a motivated

Conversion Rate Optimization Specialist (f/m) (100%)

Reporting to the Head of Online Marketing E-Commerce, this role is meant for a curious, data-driven, and creative individual who can enhance our team's skillset by creating A/B tests and analyzing our A/B test data. This individual will be critical in supporting our CRO efforts and in taking our test analysis to the next level!

Roles & Responsibilities:

- Create and analyze A/B tests to identify trends and patterns in the data
- Utilize tools such as Google Optimize, Microsoft Clarity, and Contentsquare
- Ability thoroughly analyze user behavior and data through our marketing funnel
- Serve as a subject matter expert in our e-commerce A/B test data
- Monitor tests during the testing periods to ensure data is being accurately collected and reported
- Use quantitative and qualitative analysis skills to recommend on-site changes based on test data
- Partner with marketers, data analysts, content managers, merchandisers, designers and developers to translate data insights into smarter decisions and applications

Your ideal profile:

- You own a bachelor's degree with a focus in Data Science, Computer Science, Marketing, Business, Economics, or related fields required, MBA is a plus
- You have 3- 4 years of hands-on A/B testing / data analysis / digital performance marketing experience
- Bachelor's degree with a focus in Data Science, Computer Science, Marketing, Business, Economics, or related fields required, MBA is a plus
- 1-2 years of hands-on research/data analysis experience
- Proven ability to design A/B test scenarios
- Possess an instinctive drive and curiosity for quantitative and qualitative data analysis
- Results driven, curious, and loves working with data
- Experience in digital marketing and/or e-commerce content creation
- General knowledge of conversion rate optimization and A/B testing

- Strong analytical skill set
- Fluent English is a must have, German is a plus
- Excellent communication and presentation skills and the ability to tell a complete story using data to a variety of audiences
- Work independently as well as collaboratively as a member of a high-performing team
- Strong relationship management and organizational skills
- Driven, motivated, curious, familiar with the basics of e-commerce and digital marketing

Our Benefits:

- You will have an opportunity to work for a market leader
- You will join an international and multicultural working environment
- You will have the opportunity of development in the Fashion industry
- You will enjoy discount cards for Triumph and sloggi stores
- You will benefit from the hybrid working policy of the company

Triumph Group is committed to employing a diverse workforce. Qualified applicants will receive consideration without regard to race, color, religion, sex, national origin, age, sexual orientation, gender identity, gender expression, veteran status, or disability.
